ABOUT NSCLS — Nigeria Supply Chain Leadership Summit

The Nigeria Supply Chain Leadership Summit (NSCLS) is an annual gathering of industry leaders, innovators, policymakers, and key stakeholders focused on driving transformational growth within Nigeria's supply chain ecosystem. Launched in 2024, NSCLS made its debut under the powerful theme : Leading Nigeria's Supply Chain Transformation.

Bringing together top minds to share insights, exchange ideas, and chart the course for a more resilient and efficient supply chain landscape.

WHAT NSCLS STANDS FOR:

- Fostering thought leadership and innovation in supply chain management.
- Connecting private sector, government, and academia for sustainable collaboration.
- **Building capacity and strengthening Nigeria's competitiveness in the regional and global trade arena.**
- Promoting best practices, technology adoption, and investment in supply chain infrastructure.

HIGHLIGHTS OF 2024 SUMMIT

Leading Nigeria's Supply Chain Transformation

A Call to Action. A Collective Commitment.

Driving Innovation & Collaboration

This year's summit was more than an event—it was a movement. NSCLS 2024 brought together industry leaders to confront Nigeria's most pressing supply chain challenges head-on. Key Themes Explored:

1. Supply Chain Visibility & Collaboration

- Cutting-edge platforms for enhanced efficiency
- Real-time data for smarter decision-making

2. Sustainability in Focus

- Balancing economic growth, social inclusion & environmental responsibility
- Tailored approaches for Nigeria's unique context

3. Trade Facilitation & Customs Modernization

- Policy reforms and digital innovation
- Streamlined cross-border operations

A Human-Centered Transformation.

Beyond technology and policy, the summit underscored the human dimension—empathy, creativity, and the courage to lead change.

2024 Summit ended with so much insight

- **It was a success**
